CAMARILLO, Calif.--(<u>BUSINESS WIRE</u>)--Oct. 4, 2004--Salem Communications Corporation (Nasdaq:SALM), the leading radio broadcaster focused on religious and family themes programming, announced today a radio station exchange with Univision Communications Inc., the leading Spanish-language media company. Salem Communications, through certain of its wholly-owned subsidiaries, is exchanging two radio stations, WZFS-FM (106.7 FM) in Des Plaines, IL (Chicago market), and KSFB-FM (100.7 FM) in San Raphael, CA (San Francisco market), for four radio stations, WIND-AM (560 AM) in Chicago, IL, KOBT-FM (100.7 FM) in Winnie, TX (Houston market), KHCK-AM (1480 AM) in Dallas, TX, and KOSL-FM (94.3 FM) in Jackson, CA (Sacramento market). This transaction, which is subject to required regulatory approvals and other closing conditions, is expected to close in the first quarter of 2005.

Edward G. Atsinger III, president and CEO of Salem Communications, commented, "This station swap presents a unique opportunity for Salem to expand our presence in four very attractive major markets. We now can bring our syndicated News/Talk format into both Chicago and Houston, which are ideal markets for this format. In addition, we will further improve our clusters in Dallas and Sacramento."

Atsinger concluded, "Effectively in a single transaction, we will be able to upgrade our station group, maximize our return from two under-performing radio stations, make significant improvements to our strategic formats and to our syndicated talk network, as well as strengthen our clusters in four important top 25 markets. We are now better positioned for long-term growth and have done so without using cash or debt and without issuing equity."

Salem will provide an update on this transaction's impact on future financial results when it releases third quarter 2004 results in early November.
