Loar Holdings Announces the Addition of Jeremy Halford as Executive Vice President

WHITE PLAINS, NEW YORK / [ACCESS Newswire](#) / October 8, 2025 /Loar Holdings Inc. (NYSE:LOAR) ("Loar," "we" and "our"), announces the addition of Jeremy Halford as Executive Vice President, reporting to CEO & Executive Co-Chairman, Dirkson Charles. Jeremy will have operational oversight for CAV Systems (Consett, UK), Safe Flight (White Plains, NY), Applied Engineering and The Freeman Company (Yankton, SD).

"We are excited to add Jeremy's strong operational and commercial expertise to the Loar family.", said Dirkson Charles. "Jeremy is a seasoned executive leader with a solid track record growing global manufacturing businesses and developing high performing teams. Most importantly his DNA aligns with our cultural values."

Jeremy's career spans more than two decades in various operational leadership and strategy roles at companies like Graftech, Arconic, Doncasters, Alcoa and General Motors.

Jeremy earned his Bachelor of Science in Mechanical Engineering from GMI Engineering & Management Institute and MBA from Harvard University.
