Corbus Pharmaceuticals Announces Upcoming Presentation of Dose Expansion Phase 1/2 Clinical Data for its Nectin-4 Targeting ADC CRB-701 at the 2025 ESMO Annual Congress

NORWOOD, Mass., July 30, 2025 (GLOBE NEWSWIRE) -- Corbus Pharmaceuticals Holdings Inc. (NASDAQ: CRBP), a clinical-stage company focused on oncology and obesity, announced today that an abstract on updated clinical data from its Phase 1/2 clinical study conducted in the United States and Europe of CRB-701 (SYS6002) has been accepted for presentation as a poster at the [European Society for Medical Oncology](#) (ESMO) Congress 2025, to be held October 17-21, 2025 in Berlin, Germany.

The abstract, a *Phase 1/2 study of the next-generation Nectin-4-targeting antibody–drug conjugate CRB-701 (SYS6002) in patients with urothelial and non-urothelial solid tumours* by Perez et al, will be presented as a poster (# 967P) on Sunday, October 19 from 12:00-12:45 CEST.

The three-part Phase 1/2 study ([NCT06265727](#)) is evaluating the safety, pharmacokinetics and efficacy of CRB-701 in participants with advanced solid tumors associated with high Nectin-4 expression. The Part A dose escalation of the study evaluated four predetermined doses (1.8 mg/kg, 2.7 mg/kg, 3.6 mg/kg and 4.5 mg/kg Q3W) and is being followed by Part B (dose optimization) and Part C (dose expansion). Dose optimization is on-going with dosing at 2.7 mg/kg and 3.6 mg/kg cohorts in HNSCC, cervical and mUC tumors. The Company expects to complete dose optimization and identify a recommended Phase 2 dose in the fourth quarter of 2025.

About CRB-701

CRB-701 (SYS6002) is a next-generation antibody-drug-conjugate (ADC) targeting Nectin-4, that contains a site-specific, cleavable linker and a homogenous drug antibody ratio of 2, using MMAE as the payload. Nectin-4 is a clinically validated, tumor-associated antigen in urothelial cancer.

About Corbus

Corbus Pharmaceuticals Holdings, Inc. is a clinical-stage company focused on oncology and obesity and is committed to helping people defeat serious illness by bringing innovative scientific approaches to well-understood biological pathways. Corbus' pipeline includes CRB-701, a next-generation antibody drug conjugate that targets the expression of Nectin-4 on cancer cells to release a cytotoxic payload, CRB-601, an anti-integrin monoclonal

antibody that blocks the activation of TGF β expressed on cancer cells, and CRB-913, a highly peripherally restricted CB1 receptor inverse agonist for the treatment of obesity. Corbus is headquartered in Norwood, Massachusetts. For more information on Corbus, visit corbuspharma.com. Connect with us on [X](#), [LinkedIn](#) and [Facebook](#).

Forward-Looking Statements

This press release contains certain forward-looking statements within the meaning of Section 27A of the Securities Act of 1933 and Section 21E of the Securities Exchange Act of 1934 and Private Securities Litigation Reform Act, as amended, including those relating to the Company's trial results, product development, clinical and regulatory timelines, including timing for completion of trials and presentation of data, market opportunity, competitive position, possible or assumed future results of operations, business strategies, potential growth opportunities and other statements that are predictive in nature. These forward-looking statements are based on current expectations, estimates, forecasts and projections about the industry and markets in which we operate and management's current beliefs and assumptions.

These statements may be identified by the use of forward-looking expressions, including, but not limited to, "expect," "anticipate," "intend," "plan," "believe," "estimate," "potential," "predict," "project," "should," "would" and similar expressions and the negatives of those terms. These statements relate to future events or our financial performance and involve known and unknown risks, uncertainties, and other factors on our operations, clinical development plans and timelines, which may cause actual results, performance or achievements to be materially different from any future results, performance or achievements expressed or implied by the forward-looking statements. Such factors include those set forth in the Company's filings with the Securities and Exchange Commission. Prospective investors are cautioned not to place undue reliance on such forward-looking statements, which speak only as of the date of this press release. The Company undertakes no obligation to publicly update any forward-looking statement, whether as a result of new information, future events or otherwise.
