(A) Significant changes may occur subsequent to the period presented. This schedule will be updated when new financial statements are filed with the SEC. Cumulative cash investment and cash proceeds are adjusted down when strategic investments are sold or substantially impaired, loans are repaid in full, or investees liquidate, in the quarter following the quarter in which those events occur.

(B) Reflects cash amounts funded and not recorded book values.

(C) Unfunded commitments relate to an agreement to provide long-term financing to CDMA customers of Ericsson which is not subject to expiration.

(D) We continue to have active discussions with Inquam and the Other Investor concerning the necessary funding for all or a part of Inquam's business plan, potential restructuring and investment by other parties. While the Company may provide some additional funding in furtherance of Inquam's business plan, the amount and form of such support is unknown and none will be provided without commensurate support or consideration being provided by the Other Investor.

(E) Cash proceeds for Marketable Equity Securities reflect cash received for securities sold.
