Total stockholders' equity	17,944	15,835	13,406	11,119	9,664

<sup>(1)</sup> Our fiscal year ends on the last Sunday in September. The fiscal years ended September 28, 2008, September 24, 2006, September 25, 2005, and September 26, 2004 each included 52 weeks. The fiscal year ended September 30, 2007 included 53 weeks.

<sup>(2)</sup> During fiscal 2004, we sold the Vésper Operating Companies and the Vésper Towers and returned personal mobile service (SMP) licenses to Anatel, the telecommunications regulatory agency in Brazil. The results of operations, including gains and losses realized on the sales transactions and the SMP licenses, were presented as discontinued operations in the consolidated statement of operations.

<sup>(3)</sup> Prior to the fourth quarter of fiscal 2004, we recorded royalty revenues from certain licensees based on our estimates of royalties during the period they were earned. Starting in the fourth quarter of fiscal 2004, we began recognizing royalty revenues solely based on royalties reported by licensees during the quarter. The change in the timing of recognizing royalty revenues was made prospectively and had the initial one-time effect of reducing royalty revenues recorded in the fourth quarter of fiscal 2004.

<sup>(4)</sup> Long-term debt consisted of capital lease obligations, which are included in other liabilities in the consolidated balance sheets.
