### **Forward Looking Statements**

The statements in this release concerning the Company's future prospects are forward-looking statements that involve certain risks and uncertainties. These risk and uncertainties include, without limitation, the continued acceptance of the Company's distribution channel by vendors and customers, the timely availability and acceptance of new products, product

mix, market conditions, contribution of key vendor relationships and support programs, as well as factors that affect the software industry in general and other factors. Currently, one of the most significant factors, however, is the potential adverse effect of the current pandemic of the novel coronavirus, or COVID-19, on the Company, the global economy and financial markets. The extent to which COVID-19 impacts the Company will depend on future developments, which are highly uncertain and cannot be predicted with confidence, including the scope, severity and duration of the pandemic, the actions taken to contain the pandemic or mitigate its impact, and the direct and indirect economic effects of the pandemic and containment measures, including the impact on our reseller partners and the end customer markets they serve, among others. The forward-looking statements contained herein are also subject generally to other risks and uncertainties that are described from time to time in our filings with the Securities and Exchange Commission.
