iAnthus Provides Update on Timing of Annual and Interim Financial Statements and MD&A

NEW YORK, NY and TORONTO, ON – May 28, 2020 –iAnthus Capital Holdings, Inc. (“iAnthus” or the “Company”) (CSE: IAN, OTCQX: ITHUF), which owns, operates, and partners with regulated cannabis operations across the United States, announced that it intends to further postpone the filing of its annual financial statements and accompanying management's discussion and analysis for the financial year ended December 31, 2019 (collectively, the "Annual Filings") and the interim financial statements and accompanying management's discussion and analysis for the three months ended March 31, 2020 (collectively, the "Interim Filings").

As previously disclosed in the Company's news release dated April 29, 2020, the Company is relying on the general order of the Ontario Securities Commission (the "OSC") made under Ontario Instrument 51-502 entitled "Temporary Exemption from Certain Corporate Finance Requirements" ("OSC Instrument 51-502"), dated March 23, 2020, to postpone the filing of its Annual Filings and its Interim Filings, as a result of logistical issues and delays caused by the COVID-19 pandemic. The OSC and other securities regulatory authorities in Canada have granted coordinated blanket exemptions allowing issuers an additional 45-day period to complete their regulatory filings that were otherwise due during the period from March 23, 2020 to June 1, 2020. Under OSC Instrument 51-502, the extended filing deadlines for the Annual Filings and the Interim Filings are on or before June 15, 2020 and July 14, 2020, respectively.

The Company presently anticipates being able to complete and file its Annual Filings and Interim Filings on or before their respective extended filing deadlines. The Company will provide a further update on the exact timing of its Annual Filings and Interim Filings.

Until the Company has filed and announced the required Annual Filings and Interim Filings, members of management and other insiders are subject to an insider trading black-out policy that reflects the principals in section 9 of National Policy 11-207 Failure to File Cease Trade Orders and Revocations in Multiple Jurisdictions. For recent business developments related to: (i) the Company's default of interest obligations to debenture holders and the Strategic Alternatives Review Process, see the Company's news release dated April 6, 2020; (ii) the conclusion of the investigation by the Company's special committee of independent directors, the resignation of the Company's CEO, and the appointment of an Interim CEO, see the Company's news release dated April 27, 2020; and (iii) the resignation of Mark Dowley from its Board of Directors, see the Company's news release dated May 8, 2020.
