Medovex Corporation Launches New Corporate and Investor Relations Website

ATLANTA, GA -- (Marketwired) -- 02/17/15 -- Medovex Corp. (NASDAQ: MDVX), a developer of medical technology products including the DenerveX™ device, today launched its new corporate and investor relations website at www.medovex.com.

The new IR section of the company's website features real time posting of the company's press releases, as well as the automated posting of all of the company's public filings. The site also provides investors with an IR calendar featuring potential upcoming events, conference calls, investor presentations, CEO interviews and media coverage, in addition to corporate videos and a frequently asked questions section.

Investors are encouraged to sign up for real time alerts at:<http://ir.medovex.com/email-alerts>

Jarrett Gorlin, CEO of Medovex Corporation stated, "I have long believed corporate transparency and accountability are foundational to creating shareholder value. In an effort to facilitate both, we are pleased to have launched a user friendly and investor centric site with dynamic content where investors can find relevant company information, as well as allowing them to opt in to receive certain real time email alerts."

About Medovex:

Medovex was formed to acquire and develop a diversified portfolio of potentially ground breaking medical technology products. Criteria for selection include those products with potential for significant improvement in the quality of patient care combined with cost effectiveness. The Company's first pipeline product, the DenerveX device, is intended to provide long lasting relief from pain associated with facet joint syndrome at significantly less cost than currently available options.
