

## COMPANY OVERVIEW

CTL Ametica Corporation is a commercial biomaterial company focused on using its silicon nitride technology platform to develop, manufacture and sell a broad range of medical devices. CTL Ametica markets spinal fusion products and is developing a new generation of orthopaedic bearings for hip and knee arthroplasty. The company operates an ISO 13485 certified manufacturing facility and its spine products are FDA cleared, CE marked, and currently marketed in the U.S. and select markets in Europe and South America.
