# FY'26 Q4

## Earnings Presentation

JUNE 23, 2026

# Safe Harbor Statement

## FORWARD-LOOKING STATEMENTS

Statements in this presentation that relate to goals, strategies, future plans and expectations are based on Korn Ferry's current expectations. You are cautioned not to place undue reliance on such statements. Actual results in future periods may differ materially from those currently expected because of a number of risks and uncertainties. For a detailed description of many of those risks and uncertainties, please refer to Korn Ferry's earnings release and its periodic filings with the Securities and Exchange Commission. These statements are also aspirational and not guarantees or promises that goals or targets will be met. The company undertakes no obligation to update any statements, whether as a result of new information, future events or otherwise. In addition, these statements may be based on standards for measuring progress that are still developing and on assumptions that are subject to change in the future.

## NON-GAAP FINANCIAL MEASURES

This presentation includes financial information calculated other than in accordance with U.S. Generally Accepted Accounting Principles ("GAAP"). This non-GAAP disclosure has limitations as an analytical tool, should not be viewed as a substitute for financial information determined in accordance with GAAP, and should not be considered in isolation or as a substitute for analysis of the Company's results as reported under GAAP, nor is it necessarily comparable to non-GAAP performance measures that may be presented by other companies. Please refer to slides 19 to 25 for a reconciliation of each of the non-GAAP financial measures included in this presentation to the closest GAAP measure.
