IVXX Premium Quality Cannabis Extracts are now Available at Premier San Francisco Medical Cannabis Dispensary

Oakland, March 25, 2015 (GLOBE NEWSWIRE) --[Terra Tech Corp. \(TRTC\)](#), is pleased to update shareholders on the launch and continued development of IVXX branded cannabis products. The Company is proud to announce that their brand of exceptional quality cannabis products is now available in San Francisco at the [The Green Door](#). The Green Door is one of San Francisco's premier medical cannabis facilities. They have tirelessly served the patient community since 2005.

"We are thrilled that the IVXX brand is now available to patients in San Francisco. The Green Door has offered the highest level of service and medicine to patients for the last decade," explains Derek Peterson, CEO of Terra Tech. "We are pleased that our IVXX extracts meet the rigorous standards for quality, consistency and efficacy they demand for their patients. Demand has exceeded our expectations and we are working diligently to increase both production as well as product offerings."

IVXX products are only available to qualified patients through permitted medical cannabis dispensaries that are in full compliance with California Prop 215, SB 420 sections 11362.5 & 11362.7 of HSC. The company is also launching a full website, [IVXX.com](#), in support of the brand. Through the website, patients and brand enthusiasts will be able to learn more about the products offered by IVXX, find local retailers, as well as purchase IVXX branded gear. The Oakland-based lab will be producing all of the concentrates for IVXX.

The Company will issue additional updates to investors in the near future.

Cautionary Language Concerning Forward-Looking Statements

Statements in this press release may be "forward-looking statements" within the meaning of the Private Securities Litigation Reform Act of 1995. Words such as "anticipate", "believe", "estimate", "expect", "intend" and similar expressions, as they relate to the company or its management, identify forward-looking statements. These statements are based on current expectations, estimates and projections about the company's business based, in part, on assumptions made by management. These statements are not guarantees of future performance and involve risks, uncertainties and assumptions that are difficult to predict. Therefore, actual outcomes and results may, and probably will, differ materially from what is expressed or forecasted in such forward-looking statements due to numerous factors, including those described above and those risks discussed from time to time in Terra Tech Corp.'s filings with the Securities and Exchange Commission. In addition, such statements could be affected by risks and uncertainties related to Terra Tech Corp.'s (i) product demand, market and customer acceptance of its equipment and other goods, (ii) ability to obtain financing to expand its operations, (iii) ability to attract qualified sales representatives, (iv) competition, pricing and development difficulties, (v) ability to integrate GrowOp Technology Ltd. into its operations as a reporting issuer with the Securities and Exchange Commission, and (vi) general industry and market conditions and growth rates and general economic conditions. Any forward-looking statements speak only as of the date on which they are made, and the company does not undertake any obligation to update any forward-looking statement to reflect events or circumstances after the date of this release. Information on Terra Tech Corp.'s website does not constitute a part of this release.
