About Terra Tech

Terra Tech, which recently merged with OneQor Pharmaceutical, is a holding company with a portfolio of investments focused on cannabis agricultural assets in the THC market and the research, development and commercialization of cannabinoid-based products. Backed by innovative science and best-in-class manufacturing, the company's mission is to deliver top-tier cannabis and cannabinoid-based products across the wide range of emerging consumer markets for plant-based health products, including CBD, pharmaceuticals and consumer brands.

Cautionary Language Concerning Forward-Looking Statements

Statements in this press release may be "forward-looking statements" within the meaning of the Private Securities Litigation Reform Act of 1995. Words such as "anticipate", "believe",

"estimate", "expect", "intend" and similar expressions, as they relate to Terra Tech Corp. (the "Company") or its management, identify forward-looking statements. These statements are based on current expectations, estimates and projections about the Company's business based, in part, on assumptions made by management. These statements are not guarantees of future performance and involve risks, uncertainties and assumptions that are difficult to predict. Therefore, actual outcomes and results may, and probably will, differ materially from what is expressed or forecasted in such forward-looking statements due to numerous factors, including those described above and those risks discussed from time to time in the Company's filings with the Securities and Exchange Commission. Any forward-looking statements speak only as of the date on which they are made, and the Company does not undertake any obligation to update any forward-looking statement to reflect events or circumstances after such date.
