- 3A.2 The "**Scheme Limit**" at any time shall be 17,000,000 Ordinary Shares.
- 3A.3 For the purposes of Rule 3A.1, Ordinary Shares subject to awards which have been satisfied (in whole or in part) shall be included (to the extent that the relevant award has been satisfied), and Ordinary Shares subject to awards which (in whole or in part) have lapsed or otherwise become incapable of exercise (other than by reason of the satisfaction thereof) shall not be included (to the extent that the relevant award has lapsed or otherwise become incapable of exercise).

4. OPTION PRICE

- 4.1 Subject to Rules 4.2 and 4.3 and any adjustment being made pursuant to Rule 15, the Option Price shall be determined by the Board (with the prior consent of the Grantor, where appropriate).

5. VESTING SCHEDULE AND PERFORMANCE TARGETS

- 5.1 An Option may be granted subject to either, or both, a Vesting Schedule and Performance Targets as the Board shall determine.

- 5.3 An Option may be granted on terms that the extent to which the Option Shares become Vested Shares shall depend upon the extent to which one or more Performance Targets specified in the Option Agreement or Deed of Grant is attained (so that if and insofar as any such Performance Target is not attained, the Option shall then lapse and cease to be exercisable in respect of the proportion of Option Shares which does not then become Vested Shares).
- 5.4 A Performance Target may be specified to apply to the whole or part only of an Option.
- 5.5 After an Option has been granted the Board may (with the consent of the Grantor, where appropriate) amend a Vesting Schedule so as to bring forward the time at which any Option Shares shall become Vested Shares or vary any Performance Target imposed pursuant to Rule 5.1 PROVIDED THAT no such variation shall be made unless an event has occurred or events have occurred in consequence of which the Board reasonably considers that the terms of the existing Performance

Targets should be so varied for the purpose of ensuring that either the objective criteria against which the performance of the Group and/or any Group Company and/or any division and/or the Option Holder will then be measured will be, in the reasonable opinion of the Board, a fairer measure of such performance or that any varied Performance Target will afford a more effective incentive to Option Holders and will be no more difficult to satisfy than was the Performance Target when first set.

- 5.6 After an Option has been granted the Board may (with the consent of the Grantor, where appropriate), waive in whole or in part any requirement that a Performance Target be met as a condition of exercise of an Option PROVIDED THAT no such waiver shall be made unless an event or events have occurred in consequence of which the Board reasonably considers that the terms of the existing Performance Target no longer afford an effective incentive to the Option Holder.
- 5.7 The Board shall determine whether, and to what extent, any Performance Targets have been satisfied.
- 5.8 If an Option is subject to any Performance Target, the Board shall notify the Option Holder (and the Grantor, if not the Company) within a reasonable time after the Board becomes aware of the relevant information:
 - 5.8.1 whether (and, if relevant, to what extent) the Performance Target has been satisfied and the relevant Option has therefore vested;
 - 5.8.2 of any subsequent change in whether, or the extent to which, the Performance Target has been satisfied;
 - 5.8.3 when that Performance Target has become incapable of being satisfied, in whole or in part; and
 - 5.8.4 of any waiver or variation of that Performance Target under Rule 5.5 or 5.6.
- 5.9 The number of Shares in respect of which an Option shall become vested on any occasion shall be rounded to the nearest whole number.
- 5.10 If, in consequence of a Performance Target being met, an Option becomes vested in respect of some but not all of the Option Shares, it shall thereupon lapse and cease to be exercisable in respect of the balance of the Option Shares if such Performance Target is incapable of being met in respect of the balance of such Option Shares.

the Nominal-Cost Option may be exercised (in accordance with Rule 8.1) to the extent of the Vested Shares following the Option Holder ceasing to be Connected. The Option shall be automatically exercised to the extent of those Vested Shares in accordance with Rule 8.6 (subject to Rules 7.7 and 8.7) on the last Tuesday that is a dealing day on NASDAQ of the month following the month in which the date of cessation falls, if not already exercised. If Rule 7.7 or 8.7 applies so that the Nominal-Cost Option is not automatically exercised on that date, the Option shall remain exercisable in relation to those Vested Shares for the period of three months from the date the Option Holder ceases to be Connected (or such longer period as the Board may specify before the end of that three-month period). For the avoidance of doubt, automatic exercise pursuant to this Rule 7.6 shall not apply to any portion of the Nominal-Cost Option which pursuant to Rule 7.5 becomes exercisable in addition to the Vested Shares.

- 7.7 A Nominal-Cost Option may be granted on terms that either the whole of Rule 7.6 does not apply to it, or that automatic exercise pursuant to Rules 7.6 and 8.6 does not apply to it, or that automatic exercise pursuant to Rule 7.6 shall occur on a day other than the day specified in Rule 7.6.
- 7.8 Save for the express requirements of Rule 7.5 there are absolutely no restrictions (or implied restrictions) under these Rules or otherwise on the Board's freedom to make whatever decision it wishes (or no decision at all) under Rule 7.5. In doing so, the Board may take into account (or disregard) whatever factors it wishes. An Option Holder shall have no entitlement to, and may not claim, compensation or damages (or any other remedy) from any Group Company or any former Group Company in respect of any Board decision under Rule 7.5 (or any failure by the Board to consider making a decision).
- 7.9 An Option (or part of an Option, with references to "Option" in this Rule 7.9 including a reference to part of an Option where the context so permits) shall immediately lapse and cease to be exercisable on the earliest to occur of the following:
 - 7.9.1 if, in the case of an EMI Option, within the period of 60 days commencing on the Date of Grant, the Option Holder does not correctly complete, sign and return the relevant EMI Notice and return it to the Option Holder's Employer;
 - 7.9.2 subject to Rules 7.5, 7.6, 11 and 13, if the Option Holder ceases to be Connected for any reason (including death);
 - 7.9.3 if the Board shall have exercised its discretion pursuant to Rule 7.5 and the relevant Option shall not have been validly exercised within the period allowed for exercise and specified by the Board pursuant to Rule 7.5 at the end of that period;
 - 7.9.4 if a Nominal-Cost Option (or part of a Nominal-Cost Option) is exercisable pursuant to Rule 7.6 and shall not have been validly exercised within the period allowed for exercise pursuant to that Rule, at the end of that period.
 - 7.9.5 at 5.00pm GMT on the day preceding the tenth anniversary of the Date of Grant;
 - 7.9.6 in relation to part of an RSU-style Option to which Rule 8.5 applies, at the end of any period for exercise specified pursuant to that Rule;

- 7.9.7 in relation to part of an RSU-style Option, at 5.00 pm GMT on the last day of the Short-Term Deferral Period applicable to that part of the Option;
- 7.9.8 if the Option (or any rights under it) is transferred or assigned (other than to the Personal Representatives of the Option Holder on the death of the Option Holder), mortgaged, charged or any other security interest created over it or otherwise disposed of by the Option Holder or the Option Holder attempts to do any such thing;
- 7.9.9 if the Option Holder is adjudged bankrupt under Part IX of the Insolvency Act 1986, or applies for an interim order under Part VIII of the Insolvency Act 1986, or proposes or makes a voluntary arrangement under Part VIII of the Insolvency Act 1986, or takes similar steps, or is similarly affected under the laws of any jurisdiction that correspond to those provisions of the Insolvency Act 1986;
- 7.9.10 at the end of the 40 day period referred to in Rule 11.1 or, if earlier, at the end of any period specified by the Board pursuant to Rule 11.2;
- 7.9.11 at the end of the 40 day period referred to in Rule 13.1 or, if earlier, at the end of any period specified by the Board pursuant to Rule 13.2;
- 7.9.12 if any Performance Target to which the Option is subject becomes incapable of being attained by the end of the relevant Performance Period.

8. MANNER OF EXERCISE OF OPTIONS

- 8.1 Save where an Option is automatically exercised in accordance with Rules 8.4 or 8.6, an Option shall be exercised in whole or in part by the Option Holder (or, as the case may be, his Personal Representatives) delivering to the Company (acting as agent of the Grantor) a written exercise notice (in such form prescribed by the Board from time to time, which can, without limitation, be in electronic form) specifying the number of Shares in respect of which the Option is being exercised. Such notice shall be accompanied by the payment of an amount equal to the Option Price multiplied by the number of Shares specified in the exercise notice in respect of which the Option is exercised and by any payment required under Rule 9 and/or any documentation relating to arrangements or agreements required under Rule 9 (save to the extent the Option Holder enters into other arrangements satisfactory to the Company for the payment of any such sum in relation to the Exercise Price and/or any sum required to be paid under Rule 9).
- 8.2 Where an Option is exercised in part only the balance of the Option not thereby exercised shall continue to be exercisable in accordance with these Rules and the relevant Option Agreement or Deed of Grant.
- 8.3 Any exercise notice shall be invalid:
 - 8.3.1 to the extent that it is inconsistent with the Option Holder's rights under these Rules and/or the Option Agreement or Deed of Grant; and
 - 8.3.2 if any of the requirements of Rule 8.1 are not met; or
 - 8.3.3 if any payment referred to in Rule 8.1 is made by a cheque that is not honoured on first presentation or in any other manner which fails to transfer the expected value to the Company.

- 8.4 Subject to Rule 8.5, an RSU-style Option shall be automatically exercised to the full extent of the Vested Shares on the day it first becomes exercisable in relation to those Vested Shares by reason of the conditions set out in any applicable Vesting Schedule or Performance Targets being met (or if that day is not a dealing day on NASDAQ, the next day that is a dealing day), subject to and in accordance with the provisions of Rule 8.7 and 8.8. For the avoidance of doubt this Rule 8.4 shall not apply to any part of the RSU-style Option that becomes exercisable in accordance with Rule 7.5, Rule 11 or Rule 13.
- 8.5 An RSU-style Option may be granted on terms that Rule 8.4 does not apply to it. In such cases, the Board may specify a period for the exercise of each part of the RSU-style Option following the Shares in that part becoming Vested Shares (such period not to exceed the Short-Term Deferral Period applicable to that part), and if not exercised by the end of that period that part of the Option shall lapse.
- 8.6 A Nominal-Cost Option shall be automatically exercised to the full extent of the Vested Shares in the circumstances set out in Rule 7.6 (save where Rule 7.7 applies to that Nominal-Cost Option), subject to and in accordance with the provisions of Rule 8.7 and 8.8.
- 8.7 No Option shall be automatically exercised at any time when a notice to exercise the Option would be invalid under Rule 8.9.1 or 8.9.2, or at any time when the exercise of the Option, or any sale of Shares or ADSs derived from Shares necessary to effect the automatic exercise of the Option, would be prohibited by applicable law or regulation or the Company's Insider Trading Policy from time to time, or at a time when ADSs are not listed on NASDAQ. In any case where the automatic exercise of the Option is prevented by this Rule 8.7, the Option may be exercised in accordance with the provisions of Rule 8.1 at any time the exercise of the Option is not otherwise prevented by these Rules.
- 8.8 Where an Option is automatically exercised the Company shall take such steps as it considers necessary in relation to the exercise of the Option and to allot and/or issue the relevant Shares to the Option Holder or to a nominee for him sell or procure the sale of sufficient Vested Shares or ADSs derived from those Vested Shares on or following exercise of the Option on his behalf to ensure that the Company receives the amount required to meet the Option Price and any Tax Liability and any associated costs, taxes, duties and other expenses associated with the sale of the Shares, the creation of ADSs from the Shares and/or the sale of ADSs created from the Shares as authorised by the Option Holder in accordance with Rule 3.4B. The balance of the Shares and/or ADSs not sold in accordance with these provisions shall be held in an account in the name of the Option Holder or of a nominee for the Option Holder.
- 8.9 A notice to exercise an Option by an Option Holder will be invalid:
- 8.9.1 when any Group Company has begun disciplinary proceedings against the relevant Option Holder which have not been concluded; or
 - 8.9.2 while any Group Company is investigating the relevant Option Holder's conduct and may as a result begin disciplinary proceedings; or
 - 8.9.3 while there is a breach of the relevant Option Holder's contract of employment which entitles any Group Company to dismiss the Option Holder (whether or not the Group Company is aware of that breach); or
 - 8.9.4 at any time when the relevant Option Holder is no longer employed by a Group Company but the Option remains capable of exercise, if there

was a material breach of the Option Holder's employment contract:

- (a) of which no Group Company was aware (or not fully aware) until after:
 - (i) the time when the Option Holder ceased employment; and
 - (ii) the time when the Board decided to permit the exercise of the Option following the Option Holder's cessation of employment (if such permission has been granted); and
- (b) which would have prevented the grant or exercise of the Option, had any Group Company been aware (or fully aware) of that breach at the relevant time.

8.10 The Board shall treat Option Holders fairly and reasonably when making decisions or taking steps under Rule 8.9.

8.11 The Company may permit the Option Holder to correct any defect referred to in Rule 8.3.2 or 8.3.3 (but shall not be obliged to do so). The date of any corrected exercise notice shall be the date of the correction rather than the original notice date for all other purposes of the Scheme.

8.12 Subject to the other Rules of this Scheme, as soon as practicable and in any event not more than 30 days after receipt by the Company of a valid notice exercising an Option or the automatic exercise of an Option, the Shares in respect of which the Option has been exercised shall be allotted and/or issued by the Company to the Option Holder (or a nominee for the Option Holder), or shall be transferred to the Option Holder (or a nominee for the Option Holder). In the case of a New Share Option, it shall only be satisfied by the allotment and/or issue of new Shares to the Option Holder, not the transfer of existing Shares.

8.13 The Company shall be responsible for any stamp duty payable by an Option Holder in respect of the transfer of any Shares to him pursuant to the exercise of an Option.

8.14 Except for any rights determined by reference to a date before the date of allotment, Shares allotted and issued in satisfaction of the exercise of an Option shall rank equally in all respects with the other shares of the same class in issue at the date of allotment.

9. TAX LIABILITIES

9.1 Each Option Agreement shall include the Option Holder's irrevocable agreement to:

- (a) pay to the Option Holder's Employer the amount of any Tax Liability; or
- (b) enter into arrangements to the satisfaction of the Option Holder's Employer for payment of any Tax Liability.

Where an Option is granted by Deed of Grant, the acceptance of the terms of the Option in accordance with Rule 3.4A.2 shall constitute the Option Holder's irrevocable agreement to these terms.

9.2 Unless the Option Holder's Employer directs that it shall not, each Option Agreement shall include the Option Holder's irrevocable agreement that:

- (a) the Option Holder's Employer may recover the whole or any part of any Employer NICs from the Option Holder; and
- (b) at the request of the Option Holder's Employer, the Option Holder shall elect (using a form approved by HMRC) that the whole or any part of the liability for Employer NICs shall be transferred to the Option Holder.

Where an Option is granted by Deed of Grant, the acceptance of the terms of the Option in accordance with Rule 3.4A.2 shall constitute the Option Holder's irrevocable agreement to these terms (unless the Option Holder's Employer directs that it shall not).

- 9.3 The Option Holder's Employer may decide to release the Option Holder from, or not to enforce, any part of the Option Holder's obligations in respect of Employer NICs under Rule 9.1 and 9.2.
- 9.4 If an Option Holder does not fulfil his obligations under either Rule 9.1(a) or Rule 9.1(b) in respect of any Tax Liability arising from the exercise of an Option within seven days after the date of exercise and Shares are readily saleable at that time, the Grantor shall withhold Sufficient Shares from the Shares which would otherwise be delivered to the Option Holder. From the net proceeds of sale of those withheld Shares, the Granter shall pay to the Option Holder's Employer an amount equal to the Tax Liability and shall pay any balance to the Option Holder. The Option Holder's obligations under Rule 9.1(a) and Rule 9.1(b) shall not be affected by any failure of the Company to withhold Shares under this Rule 9.4.
- 9.5 Option Holders shall have no rights to compensation or damages on account of any tax or National Insurance contributions liability which arises or is increased (or is claimed to arise or be increased) in whole or in part because of:
 - (a) any decision of HMRC that an Option does not meet the requirements of Schedule 5 ITEPA 2003 and is therefore not an EMI Option, however that decision may arise;
 - (b) any Disqualifying Event, however that event may be caused; or
 - (c) the timing of any decision by the Board to permit the exercise of an Option under Rule 7.5.
- 9.6 Each Option Agreement shall include the Option Holder's irrevocable agreement to enter into a joint election, under section 431(1) or section 431(2) of ITEPA 2003, in respect of the Shares to be acquired on exercise of the relevant Option, if required to do so by the Company or Option Holder's Employer, on or before any date of exercise of the Option. Where an Option is granted by Deed of Grant, the acceptance of the terms of the Option in accordance with Rule 3.4A.2 shall constitute the Option Holder's irrevocable agreement to enter into such an election if so required.
- 9.7 Each Option Agreement shall include a power of attorney appointing the Company as the Option Holder's agent and attorney for the purposes of Rule 9.4 and Rule 9.6. Where an Option is granted by way of Deed of Grant, the acceptance of the terms of the Option in accordance with Rule 3.4A.2 shall constitute the Option Holder's appointment of the Company as the Option Holder's agent for the purposes of Rule 9.4 and Rule 9.6.

10. NON-TRANSFERABILITY OF OPTIONS

- 10.1 During his lifetime, only the individual to whom an Option is granted may exercise that Option. Options (and any rights arising under them) may not be transferred or assigned or have any charge or other security interest created over them.

11. TAKEOVERS

- 11.1 Subject to Rules 11.2 and 11.3, if any person ("**the Controller**") acquires control of the Company as a result of:

- 11.1.1 making an offer to acquire the whole of the issued share capital of the Company which is made on a condition such that, if it is satisfied, the Controller will (on its own account or acting together with others) have control of the Company; or
- 11.1.2 making an offer to acquire all the shares in the Company which are of the same class as the Shares (on its own account or acting together with others); or
- 11.1.3 entering into a share sale and purchase agreement which will result in the Controller obtaining Control of the Company upon completion (on its own account or acting together with others);

the Option Holder shall, whether or not he subsequently or in consequence of the change in control ceases to be Connected for any reason but subject to the provisions of Rules 7.1 and 7.2, be entitled to exercise his Option to the extent of the Vested Shares (or any higher number as may be permitted under Rule 7.3) within the period of 40 days beginning with the date when the Controller has obtained control of the Company and (if relevant) any condition subject to which the offer is made has been satisfied and to the extent that the Option is not exercised within such period it shall lapse and cease to be exercisable.

- 11.2 Notwithstanding Rule 11.1, if a person makes such an offer as is referred to in Rule 11.1.1 or 11.1.2 or negotiates a share sale and purchase agreement with the shareholders of the Company which will result in a change in control, the Board may, in its absolute discretion and by notice in writing to all Option Holders, declare all outstanding Options to be exercisable in respect of all Option Shares which would become Vested Shares (or any higher number as may be permitted under Rule 7.3) upon such change of control in anticipation of the change in control during a reasonable limited period specified by the Board in the notice (which period shall end immediately before the Controller obtains control of the Company, if it has not already ended). If the Board so declares, all outstanding Options may be exercised at any time during such period. If not exercised, the Options shall lapse immediately upon the expiry of such period.
- 11.3 Subject to Rules 11.4 and 11.3, If the court sanctions a compromise or arrangement under s899 Companies Act 2006 pursuant to which another person will acquire control of the Company, the Option Holder shall, whether or not he subsequently or in consequence of the change in control ceases to be Connected for any reason but subject to the provisions of Rules 7.1 and 7.1, be entitled to exercise his Option to the extent of the Vested Shares (or any higher number as may be permitted under Rule **Error! Reference source not found.**) within the period of 40 days beginning with the date the court sanctions the compromise or arrangement.

- 11.4 Notwithstanding Rule 11.3, if the Board considers that a compromise or arrangement as referred to in Rule 11.3 will be sanctioned by the court, the Board may, in its absolute discretion and by notice in writing to all Option Holders, declare all outstanding Options to be exercisable in respect of all Option Shares which would become Vested Shares upon such sanction (or any higher number as may be permitted under Rule **Error! Reference source not found.**) in anticipation of the sanction during a reasonable limited period specified by the Board in the notice (which period shall end immediately before the court sanctions the compromise or arrangement, if it has not already ended). If the Board so declares, all outstanding Options may be exercised to the relevant extent at any time during such period. If not exercised, the Options shall lapse immediately upon the expiry of such period.

12. QUALIFYING EXCHANGE OF SHARES

- 12.1 The provisions of Rule 12.2 shall have effect, and Rules 11.1 and 11.3 shall not apply if another company obtains (or will obtain) all the shares of the Company as a result of a "qualifying exchange of shares" (falling within paragraph 40 of Schedule 5 to ITEPA 2003) and the Option Holder is invited to release his rights under his Option in consideration of the grant to him of rights (the "**Replacement Option**") which are equivalent but relate to shares in the acquiring company and the requirements of paragraphs 42 and 43 of Schedule 5 to ITEPA 2003 would be met in relation to the Replacement Option.
- 12.2 If the Option Holder does not agree to release his rights under his Option in consideration of the grant to him of such Replacement Option then his Option shall lapse and cease to be exercisable at the end of the period within which the Option Holder could have accepted such invitation.

13. SALE

- 13.1 In the event of a Sale, Options may be exercised in respect of Vested Shares (or any higher number as may be permitted under Rule 7.3) whether or not the relevant Option Holder shall have ceased to be Connected subsequently to or in consequence of that Sale within the period of 40 days beginning with the date of the Sale and shall lapse and cease to be exercisable at the end of that period.
- 13.2 If the Board anticipates that a Sale may occur, the Board may invite Option Holders to exercise Options in respect of Option Shares which would become Vested Shares upon such Sale (or any higher number as may be permitted under Rule 7.3) within such period preceding such Sale as the Board may specify and, if an Option is not then exercised, it shall, unless the Board otherwise determines, lapse and cease to be exercisable at the end of that period.

14. [RULE 14 IS NOT USED]

15. VARIATION OF SHARE CAPITAL

- 15.1 If there is any variation of the share capital of the Company (whether that variation is a capitalisation issue (other than a scrip dividend), rights issue, consolidation, subdivision or reduction of capital or otherwise) which affects (or may affect) the value of Options to Option Holders, the Board may adjust the number and description of Shares subject to each Option and/or the Option Price of each Option in a manner which the Board, in its reasonable opinion, considers to be fair and appropriate. However:
- 15.1.1 the amendment of any Option granted by a Grantor other than the Company shall require the consent of that Grantor (which shall not be unreasonably withheld);

the Board should note that the amendment of an EMI Option:

- (a) may be a Disqualifying Event;
- (b) may be regarded by HMRC as the release of the Option and the grant of a replacement share option which lacks EMI tax advantages; and
- (c) it is possible to consult the Small Company Enterprise Centre of HMRC before any amendment proposed to be made under this Rule 15 and obtain their informal confirmation that they do not consider that the amendment would fall within either (i) or (ii) above;

15.1.2 the total amount payable on the exercise of any Option in full shall not be increased; and

15.1.3 the Option Price for a Share to be newly issued on the exercise of any Option shall not be reduced below its nominal value (unless the Board resolves to capitalise, from reserves, an amount equal to the amount by which the total nominal value of the relevant Shares exceeds the total adjusted Option Price, and to apply such amount to pay-up the relevant Shares in full).

16. RELATIONSHIP WITH EMPLOYMENT CONTRACT

16.1 This Scheme shall not form part of any contract of employment or letter of appointment between any Eligible Person and any Group Company and shall not confer on any Eligible Person any legal or equitable rights whatsoever against any such company nor give rise to any claim or cause of action at common law under statute or in equity.

16.2 The grant of an option shall not form part of the Option Holder's entitlement to remuneration or benefits pursuant to his contract of employment or letter of appointment or count as wages or remuneration for pension purposes nor does the existence of a contract of employment or a letter of appointment between any person and any Group Company give such person any right or entitlement to have an Option granted to him in respect of any number of Shares or any expectation that an Option might be granted to him whether subject to any conditions or at all.

16.3 The rights and obligations of an Option Holder under the terms of his contract of employment or letter of appointment shall not be affected by the grant of an Option or his participation in this Scheme.

16.4 The rights granted to an Option Holder upon the grant of an Option shall not afford the Option Holder any rights or additional rights to compensation or damages in consequence of the loss or termination of his office or employment with any Group Company for any reason whatsoever (whether or not in circumstances giving rise to a claim for wrongful or unfair dismissal).

17. VARIATIONS AND TERMINATION

17.1 The Board may from time to time in its absolute discretion, subject to Rules 17.2 and 17.3, amend, delete or add to the Rules of this Scheme in any respect as they deem desirable.

17.2 No amendment, deletion or addition shall be made which would adversely affect in

any way any subsisting rights of Option Holders under the Scheme unless it is made:

- 17.2.1 with the prior written consent of such number of Option Holders as hold Options under the Scheme to acquire 75 per cent of the Shares which would be issued or transferred if all Options granted and subsisting under the Scheme were at that time exercised; or
 - 17.2.2 by a resolution at a meeting of Option Holders passed by not less than 75 per cent of the Option Holders who attend and vote either in person or by proxy, and for the purposes of this Rule 17.2 the Option Holders shall be treated as a separate class of share capital and the provisions of the Articles of Association of the Company relating to class meetings shall apply mutatis mutandis.
- 17.3 This Scheme may be terminated at any time by a resolution of the Board or of the Company in general meeting, but if not terminated before then shall terminate on 10 April 2035. On termination, no further Options shall be granted, but Options granted prior to such termination shall continue to be valid and exercisable in accordance with these Rules.

18. HMRC REQUESTS

- 18.1 The Company shall provide to HMRC (within such time limit as the HMRC directs) any information in relation to this Scheme or the grant of Options under it and an Option Holder shall:
- 18.1.1 promptly provide to the Company such information as it may reasonably request; and
 - 18.1.2 consent to the Company providing such information concerning him to HMRC for the purpose of complying with such request from HMRC.

19. EMI

- 19.1 Except as described in this Rule, the Rules of this Scheme shall apply to EMI Options in exactly the same way as they apply to other Options.
- 19.2 No warranty, representation or undertaking of any nature is given to the holder of an EMI Option that the EMI Option is a qualifying option for the purposes of ITEPA 2003 or that a disqualifying event will not occur in relation to an EMI Option. Neither the Board, the Company nor any other person shall be liable to the Option Holder for any loss of whatsoever nature resulting from the failure for any reason of an Option granted as an EMI Option to meet the conditions of Schedule 5 to ITEPA 2003, whether such failure results from the inadvertent or deliberate act of the Board, the Company or any other person or for any other reason whatsoever.

20. GENERAL

- 20.1 Any notice or other communication under or in connection with this Scheme may be given in such manner as the Board determines to be appropriate. Items sent by post shall be sent by pre-paid first-class post and shall be deemed to have been received at 12 noon on the second business day after posting. This Rule 20.1 shall not apply to the service of any proceedings or other documents in any legal action.
- 20.2 The Company shall at all times ensure that the Board is authorised to satisfy all rights from time to time subsisting under Options granted pursuant to this Scheme,

taking account of any other obligations of the Company to allot and issue unissued Shares.

- 20.3 The Board's decision on any matter relating to this Scheme including any disputes relating to an Option shall be final and binding.
 - 20.4 The costs of introducing and administering this Scheme shall be borne by the Company.
 - 20.5 The Scheme shall be administered by the Board and the Board shall have power from time to time to make or vary regulations for the administration and operation of this Scheme provided that such regulations are not inconsistent with these Rules.
 - 20.6 Notwithstanding Rule 20.5, or anything else to the contrary in these Rules, any matter to be determined in relation to an Option granted or to be granted to, or held by, the Company's chief executive officer or its other executive officers must be determined or recommended to the full board of the Company for determination either by:
 - 20.6.1 independent directors constituting a majority of the board's independent directors in a vote in which only independent directors participate; or
 - 20.6.2 a compensation committee comprised solely of independent directors.
- This Rule 20.6 shall be interpreted in accordance with the NASDAQ Listing Rules, save that "independent director" shall mean a person who is both an independent director within the meaning of the NASDAQ Listing Rules and a non-employee director within the meaning of Rule 16b-3 under the Securities Exchange Act of 1934 of the United States (the "Exchange Act").
- 20.7 Subject always to Rule 20.6, the Board may delegate its powers to such person or persons as it determines, and on such terms as it determines, provided that the Board may not delegate its power and authority to the Chief Executive Officer or other executive officer of the Company with regard to the selection for participation in this Plan of an officer, director or other person subject to Section 16 of the Exchange Act or decisions concerning the timing, pricing or amount of an Option granted to such an officer, director or other person.
 - 20.8 The Company and any other Grantor shall not be obliged to provide Option Holders with copies of any materials sent to the holders of Shares.
 - 20.9 The Contracts (Rights of Third Parties) Act 1999 shall not apply to this Scheme nor to any Option granted under it and no person other than the parties referred to in these Rules including, without prejudice to the generality of the foregoing, the relevant Option Holder's Employer and the parties to an Option shall have any rights under it nor shall it be enforceable under that Act by any person other than the parties to it.
 - 20.10 No individual shall have any claim against any member of the Group arising out of his not being admitted to participation in the Scheme which is entirely within the discretion of the Board.
 - 20.11 In the case of the partial exercise of an Option, the Board may call in or endorse or cancel and reissue as it thinks fit, any certificate for the balance of Shares over which the Option was granted.
 - 20.12 Neither the Company nor any Grantor shall be obliged to notify any Option Holder

if an Option is due to lapse.

- 20.13 For the purposes of operating the Scheme, the Company will collect and process Personal Data in accordance with the privacy notice which has been made available to Option Holders.

21. GOVERNING LAW AND JURISDICTION

- 21.1 These Rules and all Options granted hereunder shall be governed by and construed in accordance with English law.
- 21.2 The courts of England and Wales shall have exclusive jurisdiction to settle any dispute or claim (including a non-contractual dispute or claim) that arises out of or in connection with these Rules, the Scheme or its subject matter and any Option or its subject matter or formation.
