## **SEI Named 'Top OCIO Provider' at 2018 Institutional Asset Management Awards**

### **Company Recognized for Second Consecutive Year**

OAKS, Pa., Nov. 14, 2018 /PRNewswire/ -- For the second consecutive year, SEI (NASDAQ:SEIC) was recognized as the "Top OCIO Provider" at the 2018 Institutional Asset Management Awards, presented by FundMap. The company was selected from a field of nine finalists, consisting of many of the leading Outsourced Chief Investment Officers (OCIOs) from around the country.

The awards recognize top asset managers serving a wide range of institutional investors, including foundations, endowments and pension funds. Winners are selected by a panel of buy-side judges, who cast votes on a range of criteria, which include the company's detailed response to a questionnaire, direct client feedback, industry reputation and past performance. SEI has been offering an OCIO model to institutional investors for 25 years, has over 485 clients globally and manages \$91.9 billion in assets as an OCIO (as of 9/30/18).

"SEI has a history of providing exceptional OCIO services to institutions, stretching back almost three decades," said Paul Klauder, Executive Vice President of SEI and Head of SEI's Institutional Group. "That tenure, combined with our heavy focus on customization and culture of innovation, drives us to deliver investment solutions for clients that we believe are unparalleled in the industry. Receiving this recognition for the second year in a row is a strong endorsement of SEI's unwavering commitment to building the best OCIO solutions in the market, the longevity of our client relationships, and the incredibly talented group of professionals who are part of our team."

"SEI was selected from a broad group of talented OCIO providers using a range of criteria, which included input from current clients and investment performance," said Paul O'Dowd, Head of Content at FundMap. "SEI's clients had great things to say about their experience with the company, which made them a worthy recipient of this award."
