Duos Edge AI Hosts Congressman Ronny Jackson's Staff at Amarillo Edge Data Center

Partnership with Region 16 Education Service Center Highlights Edge Computing's Role in Enhancing Rural Education and Connectivity

JACKSONVILLE, Fla., Aug. 05, 2025 (GLOBE NEWSWIRE) -- **Duos Technologies Group, Inc.** ("Duos" or the "Company") (Nasdaq: DUOT), through its operating subsidiary Duos Edge AI, Inc. ("Duos Edge AI"), a provider of adaptive, versatile and streamlined Edge Data Center ("EDC") solutions tailored to meet evolving needs in any environment, today announced that on July 29, 2025, it hosted key staff members from Congressman Ronny Jackson's office at its modular, SOC 2 Type II compliant EDC in Amarillo, Texas, in collaboration with Region 16 Education Service Center. The visit showcased how edge computing and local data processing are advancing K-12 education, healthcare access, and community connectivity across Texas.

Representatives from Congressman Jackson's Amarillo, Denton, and Wichita Falls offices toured the EDC and met with Dave Irek, VP of Business Development at Duos Edge AI, along with executive and technical teams from Region 16. Discussions focused on plans to expand from the Amarillo hub to other communities throughout the district, delivering local high-speed data services that can enhance education, telehealth, and economic growth in rural Texas.

"Our partnership with Duos Edge AI is a game-changer for rural school districts," said Dr. Tanya Larkin, Executive Director of Region 16 Education Service Center. "With real-time data processing and local AI capabilities, we can accelerate innovation in classrooms, expand telehealth access, and create smarter community infrastructure."

"Hosting Congressman Jackson's team allowed us to demonstrate firsthand how our Amarillo facility is driving educational and economic impact," added Dave Irek, VP of Business Development at Duos Edge AI. "We are excited to expand this model to other communities across the district, strengthening rural connectivity and supporting future-ready education."

Congressman Jackson's staff praised the initiative as a model for bridging the digital divide, recognizing its potential to improve technology access and workforce development in Tier 3 and Tier 4 markets.

About Duos Edge AI, Inc.

Duos Edge AI, Inc. is a subsidiary of Duos Technologies Group, Inc. (Nasdaq: DUOT). Duos Edge AI's mission is to bring advanced technology to underserved communities, particularly in education, healthcare and rural industries, by deploying high-powered edge computing solutions that minimize latency and optimize performance. Duos Edge AI specializes in high-function Edge Data Center ("EDC") solutions tailored to meet evolving needs in any environment. By focusing on providing scalable IT resources that seamlessly integrate with existing infrastructure, its solutions expand capabilities at the network edge, ensuring data uptime onsite services. With the ability to provide 100 kW+ per cabinet, rapid 90-day deployment, and continuous 24/7 data services, Duos Edge AI aims to position its edge data centers within 12 miles of end users or devices, significantly closer than traditional data centers. This approach enables timely processing of massive amounts of data for applications requiring real-time response and supporting current and future technologies without large capital investments. For more information, visit www.duosedge.ai.

About Region 16 Education Service Center

Located in Amarillo, Texas, Region 16 Education Service Center serves 60 school districts and three charter schools with 226 campuses in a 26,000 square mile area. Region 16 school districts have an average daily attendance of over 83,000 students, with individual districts ranging from fewer than 30 to more than 29,000 students and the total regional school staff numbering more than 12,800.
