

ServisFirst Bancshares, Inc. Announces Record Earnings for 2010

BIRMINGHAM, Ala., Jan. 20, 2011 /PRNewswire/ -- ServisFirst Bancshares, Inc. today reported record earnings for the quarter and year ended December 31, 2010.

2010 AND FOURTH QUARTER HIGHLIGHTS:

- 2010 net income of \$17.4 million, a 196% increase over 2009
- Fourth quarter net income increase of 128% year/year
- \$3.15 earnings per share for 2010, a 194% increase year/year
- 21 consecutive quarters of profitability

Tom Broughton, President and CEO, said, "We are proud to report record earnings in 2010, as well as continued solid deposit growth with a 23% increase in deposits during 2010. We are very pleased with our growth in new and expanded core relationships with businesses, professionals and consumers." Bud Foshee, CFO, stated, "Our strong financial performance reflects not only higher interest income, but also disciplined expense management and margin improvement over 2009."

Statements in this press release that are not historical facts, including, but not limited to, statements concerning future operations, results or performance, are hereby identified as "forward-looking statements" for the purpose of the safe harbor provided by Section 21E of the Securities Exchange Act of 1934 and Section 27A of the Securities Act of 1933. The words "believe," "expect," "anticipate," "project," "plan," "intend," "will," "would," "might" and similar expressions often signify forward-looking statements. Such statements involve inherent risks and uncertainties. ServisFirst Bancshares, Inc. cautions that such forward-looking statements, wherever they occur in this press release or in other statements attributable to ServisFirst Bancshares, Inc., are necessarily estimates reflecting the judgment of ServisFirst Bancshares, Inc.'s senior management and involve a number of risks and uncertainties that could cause actual results to differ materially from those suggested by the forward-looking statements. Such forward-looking statements should, therefore, be considered in light of various factors that could affect the accuracy of such forward-looking statements, including: general economic conditions, especially in the credit markets and in the Southeast; the performance of the capital markets; changes in interest rates, yield curves and interest rate spread relationships; changes in accounting and tax principles, policies or guidelines; changes in legislation or regulatory requirements; changes in our loan portfolio and the deposit base, possible changes in laws and regulations and governmental monetary and fiscal policies, including, but not limited to, economic stimulus initiatives and so-called "bailout" initiatives; the cost and other effects of legal and administrative cases and similar contingencies; possible changes in the creditworthiness of customers and the possible impairment of the collectability of loans and the value of collateral; the effect of natural disasters, such as hurricanes, in our geographic markets; and increased competition from both banks and non-bank financial institutions. The foregoing list of factors is not exhaustive. For discussion of these and other risks that may cause actual results to differ from expectations, please refer to "Risk Factors" in our most recent Annual Report on Form 10-K and our other SEC filings. If one or more of the factors affecting our forward-looking information and statements proves incorrect, then our actual results, performance or achievements could differ materially from those expressed in, or implied by, forward-looking information and statements contained herein. Accordingly, you should not place undue reliance on any forward-looking statements, which speak only as of the date made.
