Celestica Recognizes TTM Technologies, Inc. as an Honouree in Its 2015 Total Cost of Ownership Supplier Awards Program

COSTA MESA, Calif., July 05, 2016 (GLOBE NEWSWIRE) -- TTM Technologies, Inc. (NASDAQ:TTMI) has been recognized as an honouree in the 2015 Total Cost of Ownership (TCOO™) Supplier Award program from Celestica, a global leader in the delivery of end-to-end product lifecycle solutions. Celestica's awards program recognizes suppliers that provide the best TCOO™ performance to Celestica and support the company's overall business objectives.

"TTM is proud to be recognized by Celestica," said Tom Edman, CEO of TTM Technologies. "Customer focus is central to our mission of delivering world class PCB products. This award reflects that focus and is a key differentiator for our company. On behalf of all TTM employees, we greatly appreciate this recognition and look forward to strengthening our relationship with Celestica."

Celestica's TCOO Supplier Awards program evaluates and recognizes the top performers in Celestica's global network of over 4,000 suppliers. Celestica's TCOO system is focused on evaluating supplier performance by measuring the total cost to produce, deliver and support products and services beyond the supplier invoice price. As such, it considers the following supplier attributes: quality, delivery, price, flexibility, innovation and technology.

"I am pleased to recognize TTM Technologies as an honouree in Celestica's 2015 TCOO Supplier Award program," said Paul Blom, Chief Procurement Officer, Celestica. "I sincerely thank TTM Technologies for their commitment to helping us to drive speed and flexibility in the supply chain."

About TTM

TTM Technologies, Inc. is a leading global printed circuit board ("PCB") manufacturer, focusing on quick-turn and technologically advanced PCBs, backplane assemblies and electro-mechanical solutions. TTM stands for time-to-market, representing how TTM's time-critical, one-stop manufacturing services enable customers to shorten the time required to develop new products and bring them to market.
