SYNCHRONY RANKS AS NO. 1 WORKPLACE IN NEW YORK

Fortune magazine and Great Place to Work recognize financial leader for creating a workplace where trust, flexibility and innovation thrive for Tri-State employees

STAMFORD, Conn., June 11, 2025 /PRNewswire/ -- Synchrony (NYSE: SYF), a leading consumer financing company at the heart of American commerce and opportunity, has been named No. 1 on the [2025 Fortune Best Workplaces in New York™ List](#) by Great Place To Work®. Synchrony's award-winning workplace is driven by a simple yet powerful formula: trust, flexibility, listening, and constant innovation in how the company and its teams work.

Synchrony is a company that is likely already in the wallets of many Tri-Staters, providing financing for everyday essentials and major purchases to 1 in 4 U.S. adults, even if its name isn't immediately recognized. Whether working with national brands to fuel American commerce or helping small and medium businesses grow and thrive, Synchrony helps millions of people access credit while strengthening businesses and communities.

"Being recognized as the Best Workplace in New York reinforces what we've always known - a great employee experience is built on trust, flexibility, and creating an environment where your team is empowered to do great work that matters," said DJ Casto, Executive Vice President and Chief Human Resources Officer at Synchrony. "We've built a high-performing culture that lets people work how they work best, so they can deliver results that matter to Americans and businesses that rely on us every day, while managing their own lives too."

Synchrony's quick ascent to the top of New York's Best Workplaces list comes just three years after opening its Innovation Hub overlooking New York City's Bryant Park in 2022, reaffirming its belief in the power of creating purposeful, collaborative workspaces and its dedication to attracting top talent in the New York metropolitan area. The Hub is designed as

both a space for Synchrony employees to work and a collaboration space to work side-by-side with its business partners on real-world projects.

Today, Synchrony has more than 800 Tri-State employees working from its New York City office and the company's headquarters in Stamford, Conn. The company's people-first philosophy is reflected in its comprehensive benefits, support for employee growth and development, and commitment to nurturing a workplace for all. Synchrony's top New York workplace ranking mirrors its national success where it claimed the No. 2 spot on the 2025 list of [Best Companies to Work For®](#) in the U.S.
