

UK SAR WINCH PARAMEDIC RECRUITMENT & TRAINING 2022

Are you ready to join the dynamic team delivering the UK's helicopter search and rescue service?

Are you prepared to dedicate yourself to training for one of the most demanding, exciting and rewarding jobs available?

Applications are open to HCPC Registered Paramedics for a limited number of SAR Winch Paramedic positions, with Bristow.

These roles demand a high level of physical fitness, stamina and emotional resilience, to meet the challenges of SAR operations.

Applicants must be available to attend a two-day selection event; either on May 3-4 or May 5-6 2022.

Employment and training for successful candidates is anticipated to begin in July 2022.

RECRUITMENT ENQUIRIES

Information on SAR Winch Paramedic cadetship positions is available at www.bristowgroup.com/services/uk-search-and-rescue

All other enquiries should be sent to the UK SAR recruitment team by email: uksar.enquiries@bristowgroup.com

ABOUT BRISTOW GROUP

Bristow is the leading global provider of industrial aviation services, offering helicopter and fixed-wing transportation, search and rescue, and aircraft support services to government and civil organisations worldwide.

Bristow operates HM Coastguard's helicopter SAR service in the UK, on behalf of the Maritime and Coastguard Agency of HM Government. It operates two aircraft types from 10 bases around the UK, located at: Lydd; Lee on Solent; Newquay; St Athan; Caernarfon; Humberside; Prestwick; Inverness; Stornoway and Sumburgh.
