**PROXY STATEMENT
FOR THE 2023 ANNUAL MEETING OF THE STOCKHOLDERS
TO BE HELD ON JUNE 12, 2023**

COMMONLY ASKED QUESTIONS AND ANSWERS ABOUT THE ANNUAL MEETING

Why am I receiving these materials?

We have sent you these proxy materials because the board of directors (the “**Board**”) of Capricor Therapeutics, Inc. (sometimes referred to as “**we**”, “**us**”, or the “**Company**”) is soliciting your proxy to vote at the 2023 Annual Meeting of Stockholders (the “**Annual Meeting**”), including at any adjournments or postponements of the Annual Meeting. You are invited to attend the Annual Meeting in person to vote on the proposals described in this proxy statement.

We intend to mail the proxy solicitation materials, combined with the Annual Report on Form 10-K for our fiscal year ended December 31, 2022, including financial statements, to stockholders on or about April 25, 2023. The information on our web site is not part of this proxy statement.

How do I attend the Annual Meeting?

The Annual Meeting will be held on June 12, 2023, at 10:00 a.m. PDT. You may attend in person, at our principal executive offices located at 10865 Road to the Cure, Suite 150, San Diego, California 92121. Information on how to vote in person at the Annual Meeting is discussed below.

Attending in Person: You will need to have a government-issued photo identification along with either your Notice and Access Card or proof of ownership of our shares of common stock as of the Record Date in order to enter the Annual Meeting. Proof of ownership may be any of the following:

- A brokerage statement or letter from a bank or broker indicating ownership on the Record Date;
- A printout of the proxy distribution email (if you received your materials electronically); or
- A voting instruction form received from your bank, broker or nominee.

You are also encouraged to take health and safety considerations into account in determining whether to attend the Annual Meeting in person, and to comply with any laws, executive orders or governmental guidelines in effect in the City of San Diego, the County of San Diego, the State of California, the United States of America, and stockholders’ jurisdictions of residence.

Who can vote at the Annual Meeting?

Only stockholders of record at the close of business on April 14, 2023 (the “**Record Date**”) will be entitled to vote at the Annual Meeting. On the Record Date, there were 25,269,926 shares of our common stock outstanding and entitled to vote. Stockholders will be entitled to one (1) vote on each matter to be voted on for each share of common stock owned as of the close of business on the Record Date. There is no cumulative voting. No other securities are entitled to be voted at the Annual Meeting.

Stockholder of Record: Shares Registered in Your Name

If at the close of business on the Record Date, your shares were registered directly in your name with our transfer agent, American Stock Transfer & Trust Company, LLC, then you are a stockholder of record. As a stockholder of record, you may vote in person at the Annual Meeting or vote by proxy. Whether or not you plan to attend the Annual Meeting in person, we urge you to vote by proxy as instructed below to ensure your vote is counted.

Beneficial Owner: Shares Registered in the Name of a Broker, Bank or Other Agent

If at the close of business on the Record Date your shares were held, not in your name, but rather in an account at a brokerage firm, bank, dealer or other similar organization, then you are the beneficial owner of shares held in “street name” and the Notice is being forwarded to you by that organization. The organization holding your account is considered to be the stockholder of record for purposes of voting at the Annual Meeting. As a beneficial owner, you have the right to

direct your broker, bank or other agent regarding how to vote the shares in your account. You are also invited to attend the Annual Meeting in person. However, since you are not the stockholder of record, you may not vote your shares in person at the Annual Meeting unless you request and obtain a valid proxy from your broker, bank or other agent.

What am I voting on?

There are four (4) matters scheduled for a vote:

1. Election of seven (7) nominees named in this proxy statement to the Board;
2. Ratification of the Audit Committee's selection of Rose, Snyder & Jacobs LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2023;
3. To approve a non-binding resolution on our named executive officer compensation; and
4. To consider and act upon approval of an amendment to the Certificate of Incorporation regarding officer exculpation.

What if another matter is properly brought before the Annual Meeting?

The Board knows of no other matters that will be presented for consideration at the Annual Meeting. If any other matters are properly brought before the Annual Meeting, it is the intention of the persons named in the accompanying proxy to vote on those matters in accordance with their best judgment.

What is the Board's voting recommendation?

The Board recommends that you vote your shares:

- "For" the election of each of the seven (7) nominees named in this proxy statement to the Board;
- "For" the ratification of the Audit Committee's selection of Rose, Snyder & Jacobs LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2023;
- "For" the approval, on a non-binding basis, of the Company's named executive officer compensation; and
- "For" the approval of an amendment to the Certificate of Incorporation regarding officer exculpation.

How do I vote?

With respect to the election of directors, you may either vote "For" all the nominees to the Board or you may "Withhold" your vote for any nominee you specify. For the ratification of the Audit Committee's selection of Rose, Snyder & Jacobs LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2023, for the approval of executive officer compensation, and for the approval of an amendment to the Certificate of Incorporation regarding officer exculpation, you may vote "For" or "Against" or abstain from voting. The procedures for voting are fairly simple and depend upon whether your shares are registered in your name or are held by a bank, broker or other agent.

Stockholder of Record: Shares Registered in Your Name

If you are a stockholder of record, you may vote in person at the Annual Meeting or vote by proxy. Whether or not you plan to attend the Annual Meeting in person, we urge you to vote by proxy to ensure your vote is counted. You may still attend the Annual Meeting and vote in person even if you have already voted by proxy.

- To vote in person, come to the Annual Meeting and we will give you a ballot when you arrive.

- To vote using the proxy card, simply complete, sign and date the proxy card and return it promptly in the envelope provided. If you return your signed proxy card to us before the Annual Meeting, we will vote your shares as you direct.

Beneficial Owner: Shares Registered in the Name of Broker, Bank or Other Agent

If you are a beneficial owner of shares registered in the name of your broker, bank or other agent, you should have received a notice containing voting instructions from that organization rather than from us. Simply follow the voting instructions in the notice to ensure that your vote is counted. To vote in person at the Annual Meeting, you must obtain a valid proxy from your broker, bank or other agent. Follow the instructions from your broker, bank or other agent included with these proxy materials, or contact your broker, bank or other agent to request a proxy form.

How many votes do I have?

On each matter to be voted upon, you have one (1) vote for each share of common stock you own as of the close of business on April 14, 2023, the Record Date.

What if I return a proxy card or otherwise vote but do not make specific choices?

If you return a signed and dated proxy card without marking any voting selections, your shares will be voted in accordance with the recommendations of the Board.

Who is paying for this proxy solicitation?

We will pay for the entire cost of soliciting proxies. In addition to these proxy materials, our directors and employees may also solicit proxies in person, by mail, by telephone or by other means of communication. Directors and employees will not be paid any additional compensation for soliciting proxies. We may also reimburse brokerage firms, banks and other agents for the cost of forwarding proxy materials to beneficial owners.

What does it mean if I receive more than one Notice?

If you receive more than one Notice, your shares may be registered in more than one name or in different accounts. Please follow the voting instructions on each Notice to ensure that all of your shares are voted.

Can I change my vote after submitting my proxy?

Yes. You can revoke your proxy at any time before the final vote at the Annual Meeting. If you are the record holder of your shares, you may revoke your proxy in any one of the following ways:

- You may submit another properly completed proxy card with a later date;
- You may send a timely written notice that you are revoking your proxy to our Corporate Secretary at 10865 Road to the Cure, Suite 150, San Diego, California 92121; or
- You may attend the Annual Meeting and vote in person. Simply attending the Annual Meeting will not, by itself, revoke your proxy.

Your most current proxy card is the one that is counted.

If your shares are held by your broker, bank or other agent, you should follow the instructions provided by your broker, bank or other agent.

How are votes counted?

Votes will be counted by the inspector of election appointed for the Annual Meeting, who will separately count, for Proposal No. 1, “For,” “Withhold” and broker non-votes; and, with respect to the other three proposals, votes “For” and “Against,” abstentions and broker non-votes.

What are “broker non-votes”?

Broker non-votes occur when a beneficial owner of shares held in “street name” does not give instructions to the broker, bank or other agent holding the shares as to how to vote on matters deemed “non-routine”. Generally, if shares are held in street name, the beneficial owner of the shares is entitled to give voting instructions to the broker, bank or other agent holding the shares. If the beneficial owner does not provide voting instructions, the broker, bank or other agent can still vote the shares with respect to matters that are considered to be “routine,” but not with respect to “non-routine” matters. Under the rules and interpretations of the New York Stock Exchange, which generally apply to all brokers, banks or other nominees, “non-routine” matters are matters that may substantially affect the rights or privileges of stockholders, such as mergers, stockholder proposals, elections of directors (even if not contested), amendments to equity plans, and executive compensation, including advisory stockholder votes on executive compensation and on the frequency of stockholder votes on executive compensation. We believe that the ratification of the selection of the independent registered public accounting firm will generally be considered to be a “routine” matter for which brokers, banks or other nominees generally have discretionary voting power. The other proposals are considered non-routine matters. Broker non-votes will be counted for the purpose of determining whether a quorum is present at the Annual Meeting.

How many votes are needed to approve each proposal?

- Directors are elected by a plurality of the votes of the shares present in person or represented by proxy at the Annual Meeting and entitled to vote for directors. Therefore, for the election of directors, the seven (7) nominees receiving the most “For” votes (from the holders of the votes of the shares present in person or represented by proxy and entitled to vote for directors) will be elected. Only votes “For” or “Withheld” will affect the outcome.
- To be approved, Proposal No. 2, the ratification of the Audit Committee’s selection of Rose, Snyder & Jacobs LLP as our independent registered public accounting firm for our fiscal year ending December 31, 2023, requires the affirmative vote of a majority of the votes cast on the proposal, meaning that the proposal must receive more votes “For” the proposal than votes “Against” the proposal. Abstentions and broker non-votes will have no effect. Under the rules of the New York Stock Exchange, brokers have discretionary authority to vote shares on this proposal. Therefore, we do not expect any broker non-votes on Proposal No. 2.
- To be approved, Proposal No. 3, the advisory approval of the compensation of our named executive officers, requires the affirmative vote of a majority of the votes cast on the proposal, meaning that the proposal must receive more votes “For” the proposal than votes “Against” the proposal. Abstentions and broker non-votes will have no effect. Although the advisory vote on Proposal No. 3 is non-binding, the Board will review the results of the votes and will consider the results in making a determination concerning future executive compensation.
- To be approved, Proposal No. 4, the approval of an amendment to the Certificate of Incorporation regarding officer exculpation, requires the affirmative vote of a majority of all issued and outstanding shares of our common stock. Accordingly, an abstention or broker non-vote will have the same effect as a vote “Against” the proposal.

What is the quorum requirement?

A quorum of stockholders is necessary to hold a valid meeting. A quorum will be present if stockholders holding a majority of the voting power of the outstanding shares entitled to vote are present at the Annual Meeting in person or represented by proxy. On the Record Date, there were 25,269,926 shares of common stock outstanding, par value \$0.001 per share, and were entitled to vote. Thus, the holders of 12,634,964 shares must be present in person or represented by proxy at the Annual Meeting to have a quorum.

Your shares will be counted towards the quorum only if you submit a valid proxy (or one is submitted on your behalf by your broker, bank or other agent) or if you vote in person at the Annual Meeting. Abstentions and broker non-votes will be counted towards the quorum requirement. If there is no quorum, the holders of a majority of shares present at the Annual Meeting in person or represented by proxy may adjourn the Annual Meeting to another date.

How can I find out the results of the voting at the Annual Meeting?

Preliminary voting results will be announced at the Annual Meeting. In addition, final voting results will be published in a Current Report on Form 8-K that we expect to file with the Securities and Exchange Commission (the “SEC”) within four (4) business days after the Annual Meeting. If final voting results are not available to us in time to file a Form 8-K with the SEC within four (4) business days after the Annual Meeting, we intend to file a Form 8-K to publish

preliminary results and, within four (4) business days after the final results are known to us, file an additional Form 8-K to publish the final results.

I also have received a copy of the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2022. Is that a part of the proxy materials?

We filed our Annual Report on Form 10-K for the fiscal year ended December 31, 2022, with the SEC on March 17, 2023. A copy of our Annual Report accompanies this proxy statement. This document constitutes our Annual Report to Stockholders, and is being made available to all stockholders entitled to receive notice of and to vote at the Annual Meeting. Except as otherwise stated, the Annual Report is not incorporated into this proxy statement and should not be considered proxy solicitation material.

When are stockholder proposals due for next year's annual meeting?

Stockholders may submit proposals on matters appropriate for stockholder action at the 2024 Annual Meeting of Stockholders consistent with Rule 14a-8 promulgated under the Securities Exchange Act of 1934, as amended (the "Exchange Act"). To be timely and considered for inclusion in proxy materials for our 2024 Annual Meeting of Stockholders, a stockholder proposal must be submitted in writing no later than December 13, 2023 to our Corporate Secretary at 10865 Road to the Cure, Suite 150, San Diego, California 92121. However, if the date of the 2024 Annual Meeting of Stockholders is convened more than 30 days before, or delayed by more than 30 days after, June 12, 2024, to be considered for inclusion in proxy materials for our 2024 Annual Meeting of Stockholders, a stockholder proposal must be submitted in writing to our Corporate Secretary at 10865 Road to the Cure, Suite 150, San Diego, California 92121 a reasonable time before we begin to print and send our proxy materials for our 2024 Annual Meeting of Stockholders. If you would like to submit a matter for consideration at our 2024 Annual Meeting of Stockholders (including any stockholder proposal not submitted under Rule 14a-8 or any director nomination) that will not be included in the proxy statement for that annual meeting, it must be received by our Corporate Secretary a reasonable period of time prior to the 2024 Annual Meeting of Stockholders. Please review our Bylaws, which contain requirements regarding advance notice of stockholder proposals. You may view our Bylaws by visiting the SEC's Internet website at www.sec.gov. In addition to satisfying the foregoing requirements under our Bylaws, to comply with the universal proxy rules stockholders who intend to solicit proxies in support of director nominees other than management's nominees must provide notice that sets forth the information required by Rule 14a-19 under the Exchange Act no later than April 4, 2024.

Independence of the Board of Directors

Pursuant to the independence rules of The Nasdaq Stock Market LLC ("**Nasdaq**"), a majority of the members of a listed company's board of directors must qualify as "independent," as affirmatively determined by the board of directors. The Board consults with our counsel to ensure that the Board's determinations are consistent with relevant securities and other laws and regulations regarding the definition of "independent," including those set forth in pertinent listing standards of Nasdaq, as in effect from time to time.

Consistent with these considerations, after review of all relevant identified transactions or relationships between each director, or any of his or her family members, and us, our senior management and our independent auditors, the Board has affirmatively determined that the following six directors are independent directors within the meaning of the applicable Nasdaq listing standards: Dr. Frank Litvack, Mr. Earl Collier, Mr. David Musket, Mr. Louis Manzo, Mr. George Dunbar and Ms. Es Sabar. In making this determination, the Board found that none of these directors had a material or other disqualifying relationship with us. In addition to transactions required to be disclosed under SEC rules, the Board considered certain other relationships in making its independence determinations, and determined in each case that such other relationships did not impair the director's ability to exercise independent judgment on our behalf.

Dr. Linda Marbán, our President and Chief Executive Officer, is not an independent director by virtue of her employment with the Company.

Board Meetings and Committees

During the last fiscal year, the Board met eight (8) times and took action by unanimous written consent three (3) times. All directors attended at least 75% of the aggregate number of meetings of the Board and of the committees on which they served that were held during the portion of the last fiscal year for which they were directors or committee members, respectively.

It is our policy to invite directors and nominees for director to attend the Annual Meeting of Stockholders either in person or by telephone. Dr. Linda Marbán attended the 2022 Annual Meeting of Stockholders.

As required under applicable Nasdaq listing standards, our independent directors periodically meet in executive session at which only they are present.

The Nominating and Corporate Governance Committee acts on behalf of the Board to fulfill the Board’s responsibilities in overseeing all aspects of our nominating and corporate governance functions. A summary of the responsibilities of the Nominating and Corporate Governance Committee include:

- determining the minimum qualifications, qualities, skills and other expertise required for service on the Board;
- identifying, reviewing and evaluating candidates to serve on the Board, including prior to each annual meeting of stockholders at which directors are to be elected, recommending to the Board for nomination such candidates as the Nominating and Corporate Governance Committee has found to be well qualified and willing and available to serve, and after a vacancy arises on the Board or a director advises the Board of his or her intention to resign, recommending to a prospective member for appointment to the Board;

It is the responsibility of the Nominating and Corporate Governance Committee to periodically, and at least annually, review, discuss and assess the performance of the Board and committees of the Board. In fulfilling this responsibility, the Nominating and Corporate Governance Committee seeks input from senior management, the full Board and others. In assessing the Board, the Nominating and Corporate Governance Committee evaluates the overall composition of the Board, the Board’s contribution as a whole and its effectiveness in serving our best interests and the best interests of our stockholders.

The Nominating and Corporate Governance Committee believes that candidates for director should have certain minimum qualifications, including having the ability to read and understand basic financial statements, being over 21 years of age and having the highest personal integrity and ethics. The Nominating and Corporate Governance Committee also considers such factors as possessing relevant expertise upon which to be able to offer advice and guidance to management, having sufficient time to devote to our affairs, demonstrated excellence in his or her field, having the ability to exercise sound business judgment and having the commitment to rigorously represent the long-term interests of our stockholders. However, the Nominating and Corporate Governance Committee retains the right to modify these qualifications from time to time. Candidates for director nominees are reviewed in the context of the current composition of the Board, our operating requirements and the long-term interests of our stockholders.

In conducting this assessment, the Nominating and Corporate Governance Committee considers such factors as it deems appropriate given the current needs of the Board and us, to maintain a balance of knowledge, experience and capability, as well as diversity. The Nominating and Corporate Governance Committee views diversity broadly to include diversity of experience, skills and viewpoint, as well as traditional diversity concepts such as race or gender, and sexual orientation. In the case of new director candidates, if applicable, the Nominating and Corporate Governance Committee also determines whether the nominee is independent for Nasdaq purposes, which determination is based upon applicable Nasdaq listing standards, applicable SEC rules and regulations and the advice of counsel, if necessary. The Nominating and Corporate Governance Committee conducts any appropriate and necessary inquiries into the backgrounds and qualifications of possible candidates after considering the function and needs of the Board. The Nominating and Corporate Governance Committee meets to discuss and consider the candidates' qualifications and then selects a nominee for recommendation to the Board by majority vote.

At least annually, the Nominating and Corporate Governance Committee will review, discuss and assess its own performance and composition and review and assess the adequacy of its charter, including its roles and responsibilities as outlined in its charter, and recommend any proposed changes to the Board for its consideration and approval.

The Nominating and Corporate Governance Committee will consider director candidates recommended by our stockholders in accordance with the procedures described under "When are stockholder proposals due for next year's annual meeting?" above. The Nominating and Corporate Governance Committee does not intend to alter the manner in which it evaluates candidates, including the minimum criteria set forth above, based on whether or not the candidate was recommended by a stockholder.

The Compensation Committee reviews and recommends to the Board for approval the frequency with which we conduct say-on-pay votes, taking into account the results of the most recent stockholder advisory vote on the frequency of such say-on-pay votes, and reviews and approves the proposals regarding the say-on-pay vote and the frequency of the say-on-pay vote to be included in each of our annual meeting proxy statements, as applicable. It is also the role of the Compensation Committee to review, at least annually, our incentive compensation arrangements to determine whether they encourage excessive risk-taking, review and discuss the relationship between our risk management policies and practices and compensation, and evaluate compensation policies and practices that could mitigate such risk.

Code of Business Conduct and Ethics

The Board has adopted a Code of Business Conduct and Ethics (the “*Code of Ethics*”) that applies to all directors, officers, employees, consultants, contractors and agents, wherever they are located and whether they work for us on a full- or part-time basis. The following tables detail the applicable adjustments that were made to the determine "compensation actually paid" (all amounts are averages for the NEOs other than the PEO).

We believe that the combination of different types of compensation as well as the overall amount of compensation, together with our internal controls and oversight by our Board, mitigates potential risks.

Certain Relationships and Related Party Transactions

Except as reported below, there have not been transactions since January 1, 2022, in which we were a party, where the amount involved exceeded or will exceed \$120,000 and in which any related party had a direct or indirect material interest.

In 2013, Capricor, Inc. entered into a Consulting Agreement with Dr. Frank Litvack, the Company's Executive Chairman and a member of its Board, whereby Capricor, Inc. agreed to pay Dr. Litvack \$10,000 per month for consulting services. The agreement is terminable upon thirty (30) days' notice. Employment Agreements

Information regarding our executive employment agreements for certain officers is located under the caption, "Employment Agreements and Potential Payments Upon Termination or Change in Control" above.

Director and Officer Indemnification Agreements

In addition to the indemnification provisions contained in our Certificate of Incorporation and Bylaws, we generally enter into separate indemnification agreements with our directors and executive officers. These agreements require us, among other things, to indemnify the director or executive officer against specified expenses and liabilities, such as attorneys' fees, judgments, fines and settlements, paid by the individual in connection with any action, suit or proceeding arising out of the individual's status or service as our director or executive officer, other than liabilities arising from willful misconduct or conduct that is knowingly fraudulent or deliberately dishonest, and to advance expenses incurred by the individual in connection with any proceeding against the individual with respect to which the individual may be entitled to indemnification by us. We also intend to enter into these agreements with our future directors and executive officers.

Policies and Procedures for Related Party Transactions

Although we have adopted a Code of Business Conduct and Ethics, we rely on the Board to review related party transactions on an ongoing basis to prevent conflicts of interest. The Board reviews a transaction in light of the affiliations of the director, officer or employee and the affiliations of such person's immediate family. Transactions are presented to the Board for approval before they are entered into or, if this is not possible, for ratification after the transaction has occurred. If the Board finds that a conflict of interest exists, then it will determine the appropriate remedial action, if any. The Board approves or ratifies a transaction if it determines that the transaction is consistent with the best interests of the Company.

PROPOSAL NO. 2:

RATIFICATION OF THE SELECTION OF THE INDEPENDENT REGISTERED ACCOUNTING FIRM

The Audit Committee of the Board has selected Rose, Snyder & Jacobs LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2023 and has further directed that management seek stockholder ratification of the selection of the independent registered public accounting firm at the Annual Meeting. Rose, Snyder & Jacobs LLP was appointed our registered public accounting firm on January 17, 2014, and has served as our independent registered public accounting firm for each year since the year ended December 31, 2013.

Representatives of Rose, Snyder & Jacobs LLP are expected to be present at the Annual Meeting. They will have an opportunity to make a statement if they so desire and will be available to respond to appropriate questions.

Neither our Bylaws nor other governing documents or law requires stockholder ratification of the selection of Rose, Snyder & Jacobs LLP as our independent registered public accounting firm. However, the Audit Committee is submitting the selection of Rose, Snyder & Jacobs LLP to our stockholders for ratification as a matter of good corporate practice. If our stockholders fail to ratify the selection, the Audit Committee will reconsider whether or not to retain that firm. Even if the selection is ratified, the Audit Committee of the Board in its discretion may direct the appointment of different independent auditors at any time during the year if they determine that such a change would be in our best interests as well as the best interest of our stockholders.

The affirmative vote of a majority of the shares cast on Proposal No. 2 at the Annual Meeting will be required to ratify the selection of Rose, Snyder & Jacobs LLP. Abstentions and broker non-votes are counted towards a quorum, but are not counted for any purpose in determining whether this matter has been approved. Under the rules of the New York Stock Exchange, brokers have discretionary authority to vote shares on this proposal. Therefore, we do not expect any broker non-votes on Proposal No. 2.

Services provided to the Company and its subsidiaries by Rose, Snyder & Jacobs LLP for the years ended December 31, 2022 and 2021 are described below and under “Audit Committee Report.”

The following is a summary of the approximate fees billed to us by Rose, Snyder & Jacobs LLP, our independent registered public accounting firm, for professional services rendered for the fiscal years ended December 31, 2022 and 2021 which includes Capricor, Inc. and Capricor Therapeutics, Inc.:

Pre-Approval Policies and Procedures.

Pursuant to our Audit Committee Charter, before the independent registered public accounting firm is engaged by the Company or its subsidiaries to render audit or non-audit services, the Audit Committee pre-approves the engagement. Audit Committee pre-approval of audit and non-audit services is not required if the engagement for the services is entered into pursuant to pre-approval policies and procedures established by the Audit Committee regarding the Company’s engagement of the independent registered public accounting firm, provided the policies and procedures are detailed as to the particular service, the Audit Committee is informed of each service provided and such policies and procedures do not include delegation of the Audit Committee’s responsibilities under the Exchange Act to the Company’s management. The Audit Committee may delegate to one or more designated members of the Audit Committee the authority to grant pre-approvals, provided such approvals are presented to the full Audit Committee at a subsequent meeting. If the Audit Committee elects to establish pre-approval policies and procedures regarding non-audit services, the Audit Committee must be informed of each non-audit service provided by the independent registered public accounting firm. Audit Committee pre-approval of non-audit services (other than review and attest services) also is not required if such services fall within available exceptions established by the SEC. None of the services provided by our independent registered public accounting firm for fiscal 2022 or 2021 were obtained in reliance on the waiver of the pre-approval requirement afforded in SEC regulations.

PROPOSAL NO. 3:

TO APPROVE, BY NON-BINDING ADVISORY VOTE, THE RESOLUTION APPROVING NAMED EXECUTIVE OFFICER COMPENSATION

Under the Dodd-Frank Wall Street Reform and Consumer Protection Act and Section 14A of the Exchange Act, our stockholders are entitled to vote to approve, on an advisory basis, the compensation of our named executive officers as disclosed in this proxy statement in accordance with SEC rules. Consistent with the preference expressed by our stockholders at the last advisory vote on the frequency of our “say-on-pay” vote, we are conducting such vote annually. This vote is not intended to address any specific item of compensation, but rather the overall compensation of our named executive officers and the philosophy, policies and practices described in this proxy statement.

Our compensation policies are designed to align our key executives’ compensation with both our business objectives and the interests of our stockholders. We also seek to provide compensation policies that attract, motivate and retain key executives who are critical to our success.

We recommend that our stockholders review the application of our compensation philosophy and the elements of compensation provided to each named executive officer as reflected in the discussion and tables included in the “2022 Executive Compensation” section of this proxy statement.

We believe our executive compensation policies are designed appropriately and are functioning as intended to produce long-term value for our stockholders. Accordingly, we are asking our stockholders to approve the overall application of our compensation policies to our named executive officers through this advisory vote.

Accordingly, the Board is asking our stockholders to indicate their support for the compensation of our named executive officers as described in this proxy statement by casting a non-binding advisory vote “FOR” the following resolution:

“RESOLVED, that the compensation paid to Capricor Therapeutics’ named executive officers, as disclosed in the proxy statement for the 2023 Annual Meeting of Stockholders of Capricor Therapeutics pursuant to the compensation disclosure rules of the Securities and Exchange Commission, including the 2022 Executive Compensation, compensation tables and related narrative discussion, is hereby APPROVED on an advisory, non-binding basis.”

Because the vote is advisory, it is not binding on the Board or us. Nevertheless, the views expressed by our stockholders, whether through this vote or otherwise, are important to management and the Board and, accordingly, the Board and the Compensation Committee intend to consider the results of this vote in making determinations in the future regarding executive compensation arrangements.

Advisory approval of this Proposal No. 3 requires the affirmative vote of a majority of the shares cast on Proposal No. 3 at the Annual Meeting. Abstentions and broker non-votes are counted towards a quorum, but are not counted for any purpose in determining whether this matter has been approved.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE “FOR” PROPOSAL NO. 3.

PROPOSAL NO. 4:

TO APPROVE AN AMENDMENT TO THE CERTIFICATE OF INCORPORATION REGARDING OFFICER EXCULPATION

Background

The State of Delaware, which is the Company's state of incorporation, enacted legislation, effective August 1, 2022, that amends the Delaware General Corporation Law (the "DGCL") to enable Delaware corporations to limit the personal monetary liability of officers for breach of fiduciary duty in limited circumstances. In light of this legislation and for the reasons set forth below, we are proposing to amend the exculpation provisions within the Company's Certificate of Incorporation to limit the liability of the Company's officers in specific circumstances, as permitted by the DGCL (the "*Proposed Amendment*").

The new Delaware legislation only permits, and our Proposed Amendment would only permit, exculpation of officers of the Company for direct claims brought by shareholders for breach of an officer's fiduciary duty of care, including class actions. The Proposed Amendment would not eliminate any officer's monetary liability for:

- breach of the officer's duty of loyalty to the Company or its stockholders;
- acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law;
- any transaction from which the officer derived an improper personal benefit; or
- claims brought by the Company itself or for derivative claims brought by shareholders in the name of the Company.

Article NINTH of the Company's Certificate of Incorporation, as amended, currently provides for exculpation of directors to the extent permitted by the DGCL but does not include a similar provision that would allow for the exculpation of officers. We are asking that the shareholders approve an amendment to the exculpation provision to include exculpation of officers to the fullest extent permitted by the DGCL. The Proposed Amendment would result in Article NINTH reading in its entirety as follows, with new language in underlined text:

"NINTH: A director or officer of the Corporation shall not be liable to the Corporation or its stockholders for monetary damages for breach of fiduciary duty as a director or officer, except to the extent that such exemption from liability or limitation thereof is not permitted under the DGCL as currently in effect or as the same may hereafter be amended. If the DGCL is hereafter amended to eliminate or limit further the liability of a director or officer, then, in addition to the elimination and limitation of liability provided by the preceding sentence, the liability of each director or officer shall be eliminated or limited to the fullest extent permitted by the DGCL as so amended. For purposes of this Article Ninth, "officer" shall have the meaning provided in Section 102(b)(7) of the DGCL, as it presently exists or may hereafter be amended from time to time. Any amendment, modification or repeal of this Article Ninth shall be prospective only and shall not adversely affect any right or protection of a director or officer of the Corporation that exists at the time of such amendment, modification or repeal."

Reasons for the Proposed Amendment

The DGCL has long permitted Delaware corporations to exculpate directors from certain liabilities, and the Company's Certificate of Incorporation has included such an exculpatory provision. Until the recent changes to the DGCL were enacted, Delaware corporations were not able to provide similar protection to officers. After careful consideration, the Board believes that it is in the Company's and its stockholders' interest that officers receive exculpatory protection from certain liabilities and expenses that is similar to what directors receive. In the absence of such protection, particularly amidst the recent trend of plaintiffs increasingly naming corporate officers as defendants in shareholder litigation, qualified officers might be deterred from serving as officers or, while officers, from making business decisions that involve risk, due to potential exposure to personal monetary liability for business decisions that in hindsight are not successful.

The nature of the role of officers often requires them to make difficult decisions on crucial matters, frequently in response to time-sensitive opportunities and challenges. These decisions can create substantial risk of investigations, claims, actions, suits, or proceedings seeking to impose liability on the basis of hindsight. The Board believes that it is reasonable to limit our officers' concern about personal risk and will empower them to better exercise their business judgment in furtherance of shareholder interests. The Board believes this will help limit litigation that names officers as

defendants, when directors cannot be named because of their exculpatory protection, as a litigation strategy to compel settlement offers. It is important to note that, as set forth in the Proposed Amendment and in accordance with the DGCL, the exculpation that would be afforded to our officers is more limited than what may be afforded to our directors in that officers may not be exculpated from liability in any action brought in the right of the Company.

The Board expects that exculpation clauses applicable to officers will become widely used by public corporations, including our peers, and that failing to adopt the Proposed Amendment could negatively impact our ability to recruit (and retain) exceptional officer candidates who value the protection from potential exposure to liabilities, costs of defense and other risks of proceedings that would be afforded by protection similar to that afforded by the Proposed Amendment. Additionally, the Proposed Amendment will align the protections for our officers with those protections already afforded to our directors. All of this will in turn benefit our shareholders by reducing threatened litigation, attorneys' fees and costs of litigation while enhancing the recruiting and retention of skilled officers.

For the reasons stated above, the Board believes that it is in the interests of the Company and its shareholders that the Proposed Amendment be approved.

The Proposed Amendment is not being proposed in response to any specific resignation, threat of resignation or refusal to serve by any officer or as a result of any pending litigation.

Effect of the Proposed Amendment

Approval of this Proposal No. 4 constitutes approval of the Proposed Amendment of Article NINTH as set forth above. This description of the Proposed Amendment is a summary and is qualified by the complete text of the Proposed Amendment.

Any amendments to our Certificate of Incorporation that are approved by the stockholders will become effective upon filing of a certificate of amendment to our Certificate of Incorporation with the Delaware Secretary of State, which the Company anticipates filing promptly following the annual meeting.

Vote Required and Recommendation of the Board of Directors

The affirmative vote of the holders of a majority of the shares of our common stock issued and outstanding will be required to approve the amendment to the Certificate of Incorporation of the Company reflected in the Proposed Amendment. Abstentions and broker non-votes will have the same effect as a vote against this proposal.

OTHER INFORMATION

Householding of Proxy Materials

The SEC has adopted rules that permit companies and intermediaries (e.g., brokers) to satisfy the delivery requirements for Notices and other Annual Meeting materials with respect to two or more stockholders sharing the same address by delivering a single Notice, Proxy Statement, Annual Report and other Annual Meeting materials addressed to those stockholders. This process, which is commonly referred to as “householding,” potentially means extra convenience for stockholders and cost savings for companies.

This year, a number of brokers with account holders who are our stockholders will be “householding” our proxy materials. A single Notice, Proxy Statement and Annual Report will be delivered to multiple stockholders sharing an address unless contrary instructions have been received from the affected stockholders. Once you have received notice from your broker that they will be “householding” communications to your address, “householding” will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in “householding” and would prefer to receive a separate Notice, Proxy Statement and Annual Report, please notify your broker or us. Direct your written request to the Company’s Corporate Secretary at 10865 Road to the Cure, Suite 150, San Diego, California 92121 or contact the Company’s Corporate Secretary at (858) 727-1755. Stockholders who currently receive multiple copies of the Notices, Proxy Statements, Annual Reports and other Annual Meeting materials at their addresses and would like to request “householding” of their communications should contact their broker or our Corporate Secretary in the same manner described above. In addition, we will promptly deliver, upon written or oral request to the address or telephone number above, a separate copy of the Notice, Proxy Statement, Annual Report and other Annual Meeting materials to a stockholder at a shared address to which a single copy of the documents was delivered.
