

The logo features a white Wi-Fi symbol on the left, followed by the text "airconnect IFE pro" in a white, sans-serif font. The background is a dimly lit airplane cabin with blue ambient lighting and overhead lights.

airconnect IFE pro

The logo consists of the text "Global Eagle" in a white, sans-serif font, with a small trademark symbol (TM) at the end. The background is the same airplane cabin interior as the first logo.

Global Eagle™
