INVESTMENT OBJECTIVE

INVESTMENT CONSIDERATIONS

- Unique primary investment focus on LMM companies, which provides lower correlation to broader debt and equity markets

- Efficient internally managed operating structure provides significant operating leverage, greater alignment of management and shareholder interests and greater shareholder returns
- Significant investment by MAIN’s management and board of directors in MAIN’s equity – over 3.1 million shares and \$115.6 million of market value⁽²⁾
- The core members of MAIN’s management team have over 100 years of collective experience and have worked together since 2002
