## Summary

Art is big business.

Investing in fine art usually requires more money than most people have available.

Improving economies results in optimistic outlook for the global fine art market.

TKAT provides an opportunity to invest in fine art at a fraction of the usual cost.

TKAT has an application pending for uplisting.

Fine Art is big business and entry costs are prohibitive for the average person. Takung Art ([OTCQB:TKAT](#)) offers an opportunity to catch the wave of fine art investment for those with modest bankrolls.
